

Check it out at www.akaloo.org!

The name for our new curriculum comes from the Greek word *akalouthein*, "to follow." The goal of this curriculum is to nurture discipleship. It seems simple enough, but... With so much competing for our time and attention, or put another way, our "worship," this whole discipleship for Jesus thing is really in trouble.

So we come to **akaloo** and the church's attempt to reach out with a curriculum that will involve student and parents.

akaloo seeks to use the WEB and provide music and graphics that will inform our faith as it seeks to lead us in a discussion of major questions concerning what we believe, why we believe it and how we live it in our daily lives.

We will need each student to have an e-mail address so that they can fully participate in the weekly activities. If they do not have one, we can work on that through our school's computer system. There are on-line games and music that

reinforce what has been done on Sunday. It really is a curriculum for the whole family.

Sunday School begins on **September 17**, 9:30 am, in the nave with prayers, song, an introduction of teachers who will then take the children to their class and get us started on **akaloo**.

There are classes for 4 years old to adults! We are never too old to learn, and relearn how to **akaloo**.

Please fill out one form for each student and return it to the church office or bring it with you to Rally Day, Sept. 10, and put it in the plate. The student's e-mail address will be used for two purposes. The first is to allow the student to have access to the curriculum's web material. The second is to let the student know about "happenings" in our Youth Ministry and Sunday School. Thank you.
